

Student's View: Assignments

Student View of Assignments:

Posted assignments will appear in the **Stream**. You may be prompted to refresh the **Stream** or assignment to see the latest updates. Students also have the option to leave a **class comment** if this has been enabled by the teacher. Class comments are viewable by the teacher and all students in the class.

Students will see the following information and options for each assignment in the **Stream**.

- 1 Completion Status (not done or done)
- 2 Due Date (Students will also see if their assignment is **Late**.)
- 3 Title and Description of the Assignment
- 4 Open: Click this button to open the assignment details page.
- 5 Add a Class Comment: Use this space to ask questions or for general comments.

The screenshot shows an assignment card in a stream. At the top left, it says 'ASSIGNMENT Kasey Bell 10:47 AM'. To the right, it says 'NOT DONE' and 'DUE NOV 13'. The main title is '#001 World War II Essay' and the description is 'Using the provided template, write a three-page essay summarizing the events of World War II.'. Below the description is a button labeled 'OPEN' and a text input field with a person icon and the text 'Add class comment...'. Numbered callouts 1 through 5 point to these specific elements.
