## Google Classroom Navigation:

To navigate to your Google Classroom homepage and the other classes you have joined, click on the menu in the top-left of your screen (three lines). You can click on any section to go directly to that page.

In this menu, you will see the following options:

- 1 **Classes** (Google Classroom Homepage)
- 2 **Classroom Calendar**
- 3 **Work** (assignments related to your classes)
- 4 **Classes**
- 5 **Archived Classes** (Classes you are no longer enrolled in.)
- 6 **Google Classroom Settings:**  
The last option at the bottom of your main menu on the Google Classroom homepage is Settings. Here, you can:
  - Change or add a profile picture
  - Go to your Google account settings
  - Turn on/off email notifications
