

Student's View: The Stream

The Stream is where students can view and access announcements, assignments, discussion topics, and comments. If enabled by the teacher, students can also add posts and leave comments.

Below are directions and reminders for students.

Add a Student Post to the Stream:

Click the + in the bottom right of the screen, and then choose **Create Post**.

- Add the text of your class post. **Remember, this is viewable by your teacher and the entire class.**
 - Use the post to ask a relevant question about class or assignments, collaborate with other students in your class, or to share relevant resources related to the class subject and topics.
 - **Note:** Your comments are saved, even after they have been deleted. **Your teacher can always see what you share so keep it appropriate!**

Optionally add other content to your posts:

- 1 **File Attachments:** files saved locally on your computer or device.
- 2 **Google Drive:** Files saved in your Google Drive.
- 3 **YouTube videos**
- 4 **Web Links** to outside websites, resources, etc.
