

Student's View: Turn In Assignments

The Turn In Button:

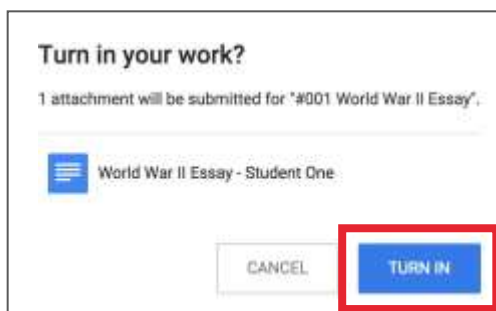

If the teacher has assigned a student their own copy of a Google file type (Docs, Slides, Sheets, or Drawings) as part of the assignment, there will also be a **Turn In** button (top-right) in the Google file next to the share button. (Note: The **Turn In** button changes the ownership of the file from the student back to the teacher, and the student can no longer edit the file.)

Students should submit their work using the **Turn In** button, NOT by sharing with the teacher. The teacher already has the right to view and edit the file.

Turning In Google Assignments:

When a student clicks the Turn In button, a pop-up will prompt them to confirm their submission.

Turning In Other Types of Assignments:

If the teacher has assigned a collaborative Google file (student can edit the file), or other outside types of assignment, The student will see a **Mark As Done** button instead of Turn In. This option will only appear in Google Classroom, not in the file itself.

When students have completed the assignment, they simply click the **Mark As Done** button to let the teacher know they have finished. **Note:** The teacher does NOT receive an alert or email notification when work has been turned in, or marked as done. If a student is turning in late work, it is recommended that they leave a private comment to notify the teacher of late work or special circumstances.
