

Student's View: Unsubmit Assignments

Unsubmit an Assignment:

If the assignment is a Google file type, it will become view-only for the student once it has been **Turned In**. If a student needs to revise or add attachments, they will need to click **Unsubmit**. The file can then be edited and revised again.

A pop-up reminder will appear to let students know they must resubmit once they have completed their revisions to the assignment. Click **Unsubmit** to confirm.

After the student has made their revisions or added or changed attachments, they will then need to click **Turn In** again to resubmit the assignment to Google Classroom.
